## BEST BUSINESS ADVICE

- The best business advice I've ever received came from John Maxwell.
- John taught me how to bring my faith life into my business life.
- This enabled me to live a transparent life-being the same in business as I was in my personal life.
- Another mentor, Norm, taught me how to fuse my faith life with my business life.

This led me to dismiss the myth that you have to be broke to be happy or be broke to be close to God.
